BOSTIK BLU TACK WHITE

Technical Data Sheet

Reviewed: 06.06.2015

DESCRIPTION

BOSTIK BLU TACK WHITE is the original white permanently plastic, reusable adhesive. Clean, safe and easy to use, BLU TACK WHITE provides an ideal alternative to drawing pins and sticky tapes with hundreds of uses around the home, office or school environment. It is supplied in cut lengths of four strips extruded between release paper and transparent film, packed in individual wallets. It is clean and economical in use.

ADVANTAGES

- Original product
- Does not stain
- Multi-purpose
- Reusable
- Non toxic

APPLICATIONS

- **BLU TACK WHITE** holds up posters, cards, children's paintings, party decorations, maps, messages, etc.
- **BLU TACK WHITE** holds telephones and calculators to desks, ornaments to shelves, photos in albums, screws to screwdrivers, model parts during painting, etc.
- **BLU TACK WHITE** holds safe pins, keys, screws, etc.
- **BLU TACK WHITE** holds flowers and candles in place for table and flower arrangements.
- **BLU TACK WHITE** cleans fluff from fabric and dirt from typewriters, model railway tracks, etc.
- **BLU TACK WHITE** may be rolled and manipulated to make 3 dimensional artistic "models"
- **BLU TACK WHITE** is suggested for use on non – porous surfaces: - vinyl coated wallpapers, painted surfaces, glass, metal etc.

INSTRUCTIONS FOR USE

1. Make certain that the surfaces to which **BLU TACK WHITE** is to be applied are clean, dry and free from dust, grease and loose surface material.
2. Simply tear off the amount of **BLU TACK WHITE** required, pull and stretch until supple, then roll into a ball.
3. Place it between the surfaces to be fastened and press hard.
4. **BLU TACK WHITE** can be used again and again.

CLEANING UP

To remove **BLU TACK WHITE** roll it carefully off the surface. It can then be used again and again. Any remaining shreds can be removed by rolling or dabbing a blob of **STICK N FIX** over the surfaces.

REMARKS

- Do not use **BLU TACK WHITE** on absorbent, silk – screen printed or hand stenciled wallpaper, or on porous brickwork.
- The adhesive properties of **BLU TACK WHITE** increase with time so take extra care when removing it after a period of months. On some surfaces **BLU TACK WHITE** may leave an oily mark but this can sometimes be removed by lighter fuel (flammable) or proprietary chewing gum remover (nonflammable). The effect of these liquids on the particular surface concerned should first be tested on a small, inconspicuous area.

TECHNICAL CHARACTERISTICS

Physical form: Rectangular slab

Chemical type: Synthetic polymer base

Specific Gravity: 1.8 approximately

Solids content: 100%

Colour: Pale White

STORAGE

Store under dry conditions between 5°C - 25°C.

SHELF LIFE

3 years from the date of manufacture under the recommended storage conditions.

PACKAGING

Wallets

PACKAGING	CODE	BARCODE
Wallet	1041	5000403110417

HEALTH AND SAFETY INFORMATION

CE This product has been designed to meet the stringent EC child safety legislation. Not suitable for children under 36 months as it can be made into small parts.
