

## Solvents

# SWAN BRUSH SOLVENT

## Technical Data Sheet

Reviewed: 06.06.2015

### PACKAGING

750ml, 4Lt, 16Lt

PACKAGING	CODE	BARCODE
750ml	06028	5204094060284
4Lt	06074	5204094060314
16Lt	06057	5204094060321

### HEALTH AND SAFETY INFORMATION

May be fatal if swallowed and enters airways. May cause cancer. May cause genetic defects. If medical advice is needed, have product container or label at hand. Keep out of reach of children. Keep container tightly closed. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. IF exposed or concerned: Get medical advice/attention. Do NOT induce vomiting. Dispose of contents and / or their container according to the separated collection system used in your municipality. Restricted to professional users.

### DESCRIPTION

**SWAN BRUSH SOLVENT** is an **odorless** clear – transparent solvent based on a special blend of organic solvents and aromatic hydrocarbons. It is mainly used as a solvent and thinner for solvent borne paints, wood preservatives, lacquers, primers and varnishes as well as a cleaner.

### APPLICATIONS

- Paint thinner for oil based paints.
- Thinner for solvent based lacquers and varnishes.
- Cleaning equipment after painting.
- Degreasing metal surfaces.

### TECHNICAL CHARACTERISTICS

**Type:** Blend of organic solvents and aromatic hydrocarbons

**Consistency:** Liquid

**Colour:** Water white

**Smell:** Odorless

**Relative density:**  $0,85 \pm 0,004 \text{ gr/cm}^3 \text{ } 25^\circ\text{C}$

**Flammability:** Flammable

**Solubility (% by weight in water):**  $< 0.1$

### STORAGE

Products should be stored in a dry and cool place at a temperature of  $5^\circ\text{C} - 35^\circ\text{C}$ , away from sources of ignition. Protect from humidity and direct sunlight.

### SHELF LIFE

12 months from the production date in the above mentioned storage conditions. The product should remain in the original unopened packaging bearing the manufacturer's batch number.

The directives contained in this technical data sheet are the result of our long experience from real life applications and the research testing of our research and development laboratory and have been submitted in good faith. Because of the diversity of the materials and substrates and the great number of possible applications, which are beyond our control, we cannot accept any responsibility for the results obtained. In every case it is recommended to carry out preliminary experiments. We are liable only for our products for being free from faults and of consistent quality. Users are responsible for complying with local legislation and for obtaining any required approvals or authorizations. The present edition of this technical datasheet automatically cancels any previous ones concerning the same product.
